

Blue Mountain Community College

2016-2017 Academic School Year

Student Volunteer Agreement

This agreement is made between

Blue Mountain Community College and _____.

(Print student name)

Student will commit to voluntarily serve with a community partner for the allotted length of time (either one day or multiple days) the community business/organization has promoted. Student will treat this position similar to a job by arriving on time and notifying the organization at least one day before an absence may result (or beforehand as instructed by the volunteer supervisor). In consideration of this agreement, student promises to follow his or her job duties as written. Student agrees that he or she will; at all times, to the best of his or her skills, ability, experience and talents, perform all of the duties required of this position. In carrying out these duties and responsibilities student agrees to follow BMCC's student code of conduct.

Benefits shall be administered in the form of a letter of recommendation from the site supervisor of the organization served upon and awarded to the volunteer after the completion of the assigned service role.

Termination of student's positions may take place if duties are not fulfilled.

This volunteer agreement is entered into as of the date below.
