

Access COVID-19 Student Relief Funding – 5/11/2020

The U.S. Department of Education has made funding available to colleges and universities, including BMCC, to help support students due to challenges from COVID-19 through the Coronavirus Aid, Relief and Economic Security (CARES) Act.

BMCC has developed some criteria for the disbursement of these funds.

- FAFSA (2019/2020) Filers
- FAFSA(2019/2020) Non-filers
- EMERGENCY Funds

[Click here to fill out the eligibility form](#)[Links to an external site.](#)

Since not all of the students qualify for the CARES Act funding, BMCC is actively seeking other sources of funding to assist students that may not meet the CARES Act eligibility. The Financial Aid Office will contact those students that may be eligible for these other sources of funding. These funds may be taxable.

Please remember that is extremely important that BMCC has your current mailing address. Your address can be checked by logging to your Wolf-Web account. Funds will be added to student Financial Aid Offer starting Monday, May 12, 2020.
