Publications requiring this language include but are not limited to class schedule flyers, catalogs, other printed major marketing tools, and any documents concerning students’ rights and responsibilities. Departments wishing to publish documents for the public should insert this statement prior to going to print. The Student Health and Wellness Coordinator is responsible for compliance with this procedure.

In addition, the following statement must appear on all course syllabi to be in compliance with the above laws:

If you have a disability that may need accommodation or academic adjustment, please contact the Student Disability Services office at 541-278-5965.
