BMCC's Brian Howell signs with Victoria HarbourCats Baseball Program

Pendleton, Ore. – Brian Howell, pitcher for the BMCC Timberwolf baseball team has signed to play for the Victoria HarbourCats, part of the WCL (West Coast League). The league features MLB prospects from many of the top college baseball programs in North America. They recruit nationwide.

Brian Howell is a sophomore working towards his AAOT at Blue Mountain Community College. As the starting pitcher for the Wolves last season he had an extremely successful summer season in the NCBL (Northwest Collegiate Baseball League) in Portland, OR last summer. Brian was the number one pitcher for the Portland Lobos and was the starting pitcher for the league's all-star game. Brian is from Rathdrum, ID and went to Lakeland High School.

BMCC Baseball Coach, Brad Baker had this to say about Brian, "Brian is very deserving of this opportunity to play in the West Coast League. He has worked hard and has continued to improve since he has been at BMCC. He is one of the leaders in our program and I expect big things from him this spring and next summer."
