BMCC Awarded Pendleton Foundation Trust Grant

Pendleton, Ore. – The Student Outreach and Leadership and the Athletics Departments at Blue Mountain Community College have been awarded a Pendleton Foundation Trust Grant for the purchase of an ATV for use in the many events and activities the two departments facilitate to support students.

The ATV will provide transport of student athletes to the training room when medical attention may be necessary. It will also be used to transport equipment and supplies used to support the many activities the Student Outreach and Leadership Department facilitates. BMCC's new intramural activity program sponsors activities like flag football, soccer, baseball and softball. The ATV will provide transportation of students participating in these activities should they require medical attention.

The Pendleton Foundation Trust's award of this grant is greatly appreciated. The ability to more efficiently facilitate these student support programs will have an important and positive impact for BMCC students and contribute to the College's focus on their Students First initiative. For more information about Pendleton Foundation Trust and the valuable support they provide our region, visit www.pendletonfoundationtrust.com.
