Dropout Detective

This powerful academic early alert tool is now integrated into your Canvas courses. Find out what it can do and how to use it to monitor your students' progress.

Ally - Accessibility Checking Tool

Accessibility to course materials is essential for equity in student success. This tool, available in your Canvas courses, can help you ensure that all students can access materials. Find out how.

"Regular, Substantive Interaction"

The federal Title IV guidelines for distance education dictate that instructors must have "regular, substantive interaction" with their students. We will discuss what that means and ways to achieve it.
