

Reflection Assignment #3

Name: \_\_\_\_\_

Answer the following questions to bring to the next class period. To receive full credit, your answer should be prepared prior to coming to class. You should answer in paragraph format and your answer should be thoughtful and thorough. I expect at least a paragraph for each answer, not just a few sentences.

1. Reflect on how you were socialized about other groups. How did you acquire the attitudes and feelings you hold? What was the most powerful influence on your socialization: Your parents? Mass media? Your friends? Why?

2. If one learns prejudice as a child, can it be unlearned? How?

3. Do you think prejudice and discrimination is better or worse today than it was 25 years ago?
